ACKNOWLEDGEMENTS

Where to even Begin on this one!!!! This show truly has taken a VILLAGE but the better term is that it has taken COMMUNITY!!! When the idea of a youth theater group was first discussed, my initial comment was to Katie Quin, "I am not doing this without you"...... foolishly, she agreed! Enter Shane Adams who is CRITICAL if the show is a musical and Sarah Grace Karas who brings all the right moves if choreography is involved. Sprinkle that with amazing friends like Walt and Lola Holifield, Diane Boyd, Laurie White, Randi Laird, Randy Bullock, James and Wendi Lambert, Stephanie and Jairus Methvin, Billy Powe and others who will ALWAYS come to the rescue when there is a snag. The above has been true for EVERY production we have done as State Street Junior Players. This production has been no excception, but there are a couple new names to add to the list. Faith Turnage was recruited for her AMAZING talents as a makeup artist and guickly stepped into the roles of Stage Manager and Production Crew. And Shaun Lee, for All The Things!!! He earned Hero status in my book for solving not only Critical problems but also a few long term 'mysteries". They both now have a Permanent "Seat At The Table"!!! And then there is Jeffrey Holifield who looks at me a little funny when I say things like "Can you make some Large moving gears" or "We need a BIG dragon head". But he always comes through and it is Always more than I could have imagined!

All of those mentioned above, as well as a host of others, confirm what my mom loves to say about me.. "You have a way of surrounding yourself with people who make you look good". Yes, mom, I certainly do!!! And I am so blessed to call them all my Friends!

To all of you, as well as the countless ENCOURAGERS surrounding us all, THANK YOU! And as my Precious, precious Fern Crossley would say...... THAT'S A WRAP!!

~Debbie Watkins~

SPECIAL THANKS to ALL of our sponsors!!! This show would not have been possible without you!!!!

congratulations to the entire cast and crew of
